### Employee's Statement Short Term Disability Income Benefits

This guide contains the forms you need to apply for disability benefits and some important information about the claim process.

These forms should be submitted within five days of the onset of your disability. Your notice form, and any other correspondence you may wish to provide about your claim, should be submitted to the Great-West Life disability management services office assigned to assess your claim. Should you wish to submit your notice form directly to Great-West Life, please contact your employer for the appropriate mailing address.

#### 1. Notice of Claim

The Notice of Claim asks general information about you, your job and the nature of your disability for the purpose of assessing your claim. Please complete all questions on this form and be sure to include your **Group Plan Number**.

**Note:** If you have Guaranteed Standard Issue Program coverage with Great-West Life, this form will be used as Notice of Claim for that coverage as well.

#### 2. Authorization Request

We need your permission to obtain information that will help us assess your claim. By signing this authorization request, you give Great-West Life permission to obtain this information from your doctor, your employer, other insurers and hospitals where you received treatment.

#### 3. Attending Physician's Report

Ask your doctor to complete this form. It requests general information about your condition.

#### WHAT YOU SHOULD KNOW ABOUT THE CLAIM PROCESS

#### **Employer's Statement**

Before we can assess your claim, we need a statement from your employer confirming the date your insurance coverage began, your job duties and earnings. We have asked your employer to supply this information directly to us.

#### **Claim Assessment**

We will assess your claim as soon as we receive these completed forms from you, your doctor and your employer.

We will notify you promptly if you are eligible for disability benefits and explain any limitations that may apply.

#### **Medical Information**

You are responsible for providing medical proof that you are entitled to receive disability benefits. This information must be supplied by your doctor(s) who may charge a fee for preparing it. If they do, you are responsible for paying for it. When Great-West Life requests information directly from your doctor, we will offer to pay a correspondence fee for it.

#### **Medical Coordination/Vocational Rehabilitation**

A Medical Coordinator or Vocational Rehabilitation Consultant may contact you during the course of your disability to help you develop a return-to-work plan.
