To: All IAMAW Members @ YYZ  
Subject: International Workers Day (May Day)  
YYZ Street Festival

Dear Brothers and Sisters,

A YYZ Street Festival will be held again this year on Monday May 1<sup>st</sup> by the Inukshuks at the Terminal 1 Departure Level (curbside) from 1:00 pm to 2:30 pm.

The purpose of this festival is to celebrate International Workers Day and the accomplishments made by the IAMAW and the Toronto Airport Workers Council. Collectively we have raised considerable awareness to the important issues facing our members and the workers within our airport community/Canada's largest workplace.

The Greater Toronto Airports Authority heard the collective voices of YYZ workers last year when a "\$15 and Fairness" petition containing well over 4000 signatures was presented. The petition called for the implementation of a living wage, an end to the perils of contract flipping along with other improved conditions for workers at Pearson.

Please come join us for this family friendly event by showing that you care and take pride in; your job, your airport community and your Union.

I urge that IAMAW members attending do so before work, after work or on their own time so that airport operations and/or your jobs with your respective employers are not negatively affected in any way.

Hope to see you there.

In solidarity,

Michael Corrado  
Regional Assistant Directing General Chairperson  
Central Region
