Dear Brothers and Sisters,

Your Negotiations Committee met with Sunwing yesterday (January 8). Once again, meaningful progress has been made.

The Committee continues to bargain through the proposal with favourable results. We are looking forward to meeting again on January 23 - 24, February 6, 7 and 19. Sunwing committed to additional dates in February pending aircraft delivery schedules.

The Committee is planning a workplace visit sometime next week.

In the meantime, if you have any questions or concerns, please feel free to contact me or one of the Committee members directly.

In solidarity,

David Freeman  
General Chairperson  
Tech Ops, Logistic and Supply  
Central Region
