Sisters and Siblings,

Our union is strongest when all members have a voice and when we organize around the issues that affect us most directly. To help strengthen participation, leadership, and solidarity among women in our union, we are calling on members to come together to form a **Women's Committee**.

The purpose of the Women's Committee will be to:

- Create a space for women to share experiences, raise concerns, and support one another
- Identify and organize around workplace and union issues that disproportionately affect women
- Encourage leadership development and active participation in union activities
- Build unity across our membership and strengthen our collective power
- Service to the community and membership

This committee will be open to all members who support its goals and want to be part of building a more inclusive, democratic, and effective union.

An **initial organizing meeting** will be held once we form a committee and receive interest from our membership.

At this meeting, we will discuss the purpose and structure of the committee, identify priority issues, and determine next steps together.

If you are interested in participating, please email the local: info@iamaw2413.ca 905 671 9119
